

**GOVERNMENT OFFICE
FOR THE NORTH WEST**

**THE NORTH WEST OF ENGLAND PLAN
REGIONAL SPATIAL STRATEGY TO 2021**

This letter is to inform you that the Regional Spatial Strategy for the North West of England has now been published.

You have received this letter as either:

- you are a stakeholder in the governance of the Region
- you or your organisation are required to be consulted under the government's Planning Policy Statement 11
- you were consulted by North West Regional Assembly on the draft Regional Spatial Strategy in 2006
- you appeared or were represented at the Examination in Public held between October 2006 and February 2007
- you commented or made representations on the draft RSS (or signed a letter or petition organised by a specific action group)
- you are required to make available documents for public inspection*

*Would Chief Planning Officers and Libraries in receipt of this letter please ensure copies are placed on deposit for public inspection

Also published are a Summary of Representations Received and Reasons for Further Changes, and reports of the Sustainability Appraisal / Strategic Environmental Assessment and Habitat Regulations Assessment. These are available to view or download on a CD at the back of the Regional Spatial Strategy document, or on the Government Office for the North West website www.go-nw.gov.uk.
